

**AN EL-AWAN**  
**2-Days Self Discovery Workshop**  
**25- 26 Feb 2020**  
**9 am – 5 pm**  
**Hotel Novotel Cairo 6<sup>th</sup> of October**

**An El-Awan is a call to action.** It's time for you to take stock of your life, to wake up and realize your full potential, to decide not to just fit the mold, to break free of many not necessarily current paradigms and learn new ways of looking at things with greater depth and understanding.

**It's time to know your "self"!**

**Why should you attend?**

The singular objective of this two-day workshop is to have you actively participate in asking your "Self" a series of pivotal **questions** leading to a better understanding of who you are. Immerse yourself in discussions while taking a journey from the inside out recording your own personal insights and reflections into your workbook!

*I'm not happy  
with my job ...  
but I don't  
know what's  
missing?!*

*What do I  
really  
need?*

*Who am  
I?*

*How do I  
get what I  
want?*

**Who Should Attend?**

This is a **public** workshop, with public meaning; *the general public* like in a theater. This workshop is generic and wide in scope focused on YOU as a human being irrespective of position or rank. So, if your family is a working family (working in various fields), you can most certainly attend as a family unit, along with your friends joining your colleagues and their working family and friends as well.

### A few words from your facilitator

"This is not by any means your typical workshop. It is not management training, nor is it skills training, in fact it is not really training at all. You will not be asked to do anything you do not want to do. You are the driver of your life and so it should be. Your pre-workshop assignment should you choose to accept to join is a movie. You will be asked to view the entire movie before attending as it will be referred to during our journey within. Indeed, there are movie clips, songs, music and a whole host of other stuff that is purposely designed to be fun and insightful!"
